

OUTDOOR BANNERS

The most competitive offering in the industry.

VARIETY

- We have 3 different product variations available, namely Harp Banner, Telescopic Banner and Windcheater Banner
- We can offer you a Complete Unit, Hardware Only or Skin Only option
- We have both a Deluxe and Econo option in all product variations

PRINTING

- We can either Digitally or Screen Print (Maximum 4 colours) onto Ultrasheen which is a polyester textile
- The Display Banner Skin is identical in both Deluxe and Econo options with no variation in Print Quality and Durability
- Our Single sided Digitally Printed option has a 90% print strikethrough on the opposite side and 100% print strikethrough on the Screen Printed option
- We have both a Single or Double Sided print option available for all variations

HARDWARE

- We have both a Deluxe (Fibreglass Hardware) and Econo (Aluminium Hardware) options available
- We have various Sizes available, Deluxe (Fibreglass Hardware - 2m, 3m and 4m options) and Econo (Aluminium Hardware - 2m and 3m only)
- We have 4 base options available at additional prices (Indoor: Scissor Base and Indoor Base with a Water Bag as an optional extra to the Scissor Base / Outdoor: Ground Spike and Bearing Spike)

SERVICE AND QUALITY

- We offer a warranty on our Deluxe Hardware option at an additional cost
- 24 hour Express turnaround available at an additional cost on our digital print option only (subject to available production capacity)
- Our Display Banners fold neatly into a Carry Bag and are lightweight, portable and easy to assemble

ARTWORK

- We do not charge an Artwork Setup Fee
